OFFICIAL MEMORANDUM

No. GAD 15 SSR 69, BANGALORE, DATED THE 2ND APRIL 1969.

The Prime Minister has appealed to all to donate generously to the Prime Minister's National Relief Fund for providing adequate and timely succour to people who have been affected by ravages of floods. It is, therefore, considered necessary to issue suitable instructions to facilitate payment of voluntary contributions by Government Servants and Service Associations to the Fund.

2. All Service Associations and Government Servants are permitted to co-operate with and assist in raising contributions to the Prime Minister's National Relief Fund. Participation in the drive for raising funds should not, however, interfere with the due discharge of official duties.

3. Secretaries to Government and Heads of Departments are requested to bring these orders to the notice of all Government Servants and Associations.

R. N. VASUDEVA,
Chief Secretary to Government.

ORDER No. GAD 10 DFE 67, BANGALORE, DATED THE 21ST MARCH 1968.

The Director of Printing, Stationery and Publications has brought to the notice of Government some instances of indiscriminate use by some Government Offices of either the National Emblem or the State Emblem in rubber stamps or seals and the fact that such rubber stamps or seals have been got locally manufactured. With a view to preventing such indiscriminate use of the National or State Emblem, Government are pleased to direct that the following instructions should be strictly observed by all Government Offices excluding the courts for which separate instructions may be issued by the High Court, if necessary :—

(i) An Officer exercising any powers under any Statute or Statutory rule requiring him to affix the seal of his Office to any document or order made by him may use the State Emblem on such a seal unless the Statute or Statutory rule prescribes the use of the National or any other Emblem ;

(ii) All other officers and offices not falling under instructions (i) above and desiring to make use of the State or National Emblem in their seals or rubber stamps should obtain the sanction of Government in the Administrative Department concerned for making use of the State or National Emblem in such seals or rubber stamps.

(iii) Under the Government Order dated 20th February 1951 referred to above, brass seals and wax seals containing the State Emblem are required to be manufactured and supplied by the Director of Printing, Stationery and Publications. All rubber stamps and seals containing the State or National Emblem should accordingly be invariably ordered from the Director of Printing, Stationery and Publications and under no circumstances should they be got locally manufactured.

By Order and in the name of the Governor of Mysore,

B. R. DEEN DAYAL,
Deputy Secretary to Government,
